Sam Gaskill

I have been working on my web development skills at Wake Tech University.

I aim to help design websites that anyone can use. I also have obtained experience with Search Engine Optimization (SEO) through my courses at Wake Tech University .

August 2019 - June 2022

AAS in Web Development
Wake Tech University

- SEO
- JavaScript/HTML5/CSS
- MongoDB
- PHP
- Bootstrap 4.0

2021-Present

Bank Teller
Truist

At Truist, I am a bank teller and work with clients with deposits, withdrawals, and other needs that they have with their bank accounts. I answered phone calls and did my best to direct them to the correct department (IE fraud) that they needed to go to.

2018-2021

Head Cashier
Lowe's Home Improvement

As a Head Cashier, I helped supervise the front end of the store (cashiers, customer service, and internet pickup). I helped associates with difficult transactions and customers. I also deposited the money at the end of the night with the manager on duty.

2016-2018

Customer Service Associate
Home Depot

At Home Depot, I mainly worked in the Garden Center. I helped customers with lawnmower repairs, yard improvement, and more.
